We do not have responsibility with content of this book.

An enthralling collection of nonfiction essays on myriad topicsâ€”from art and artists to dreams, myths, and memoriesâ€”observed in Neil Gaimanâ€™s probing, amusing, and distinctive style.

An inquisitive observer, thoughtful commentator, and assiduous craftsman, Neil Gaiman has long been celebrated for the sharp intellect and startling imagination that informs his bestselling fiction. Now, *The View from the Cheap Seats* brings together for the first time ever more than sixty pieces of his outstanding nonfiction. Analytical yet playful, erudite yet accessible, this cornucopia explores a broad range of interests and topics, including (but not limited to): authors past and present; music; storytelling; comics; bookshops; travel; fairy tales; America; inspiration; libraries; ghosts; and the title piece, at turns touching and self-deprecating, which recounts the authorâ€™s experiences at the 2010 Academy Awards in Hollywood.

Insightful, incisive, witty, and wise, *The View from the Cheap Seats* explores the issues and subjects that matter most to Neil Gaimanâ€”offering a glimpse into the head and heart of one of the most acclaimed, beloved, and influential artists of our time.
